

## DANCE FUSION - LET'S GO PARTY RECITAL TEES!

To celebrate our big end of year show we are bringing back our popular Recital tees, with all of our dancers names on them!

This year, we will be doing pre-order for Recital tees only. We will not have any available at the Recital to purchase. All tees need to be pre-ordered and then they will be ready for pick-up on Recital day at the Theatre. This will help us to keep costs down and be able to provide each dancer with the exact size you want.

There is rack of t-shirt sample sizes at the studio for you to measure your dancer with before ordering. Tees will be available in Youth X-Small all the way up to Adult XX-Large. Tees will be pink with a design on the front, including sparkly print on the front and back.

\*Recital Tees will be \$30 plus tax.

Please drop off a completed form at the front desk if you would like to order a Recital tee.

Payment must be made at time of ordering. Payment can be made via cash, debit/credit card at the front desk, or we can charge it to the credit card on your studio account.

All orders must be made by Wednesday June 5th in order to guarantee delivery by Recital.
